'Shave and a Haircut'--for Free!

Pictured above is freshman Dwight Barret receiving the traditional "shave and haircut" from barber Larry Rowley at the annual Walkout Day Kangaroo Court. M Club members Jack Spence, Ernie Huchings, and Vic Cromer look on, while Mike Hutcheon leads up the lamb for the slaughter.

M' Club and Freshmen Stage Annual Walkout Entertainment

Walkout Day, 1955, will probably go down in the history of this College as the best Walkout Day ever witnessed. There were fewer haircuts and shampoos than ever given on the walkout days of many recent years, but most students and faculty members feel that this has been the best celebration of its type in recent years.

On Monday, October 10, rumors began to circulate that Tuesday or Wednesday would be Walkout Day. When Tuesday morning dawned bright and clear, everyone was anticipating a day of fun, and most were hoping that this would be the day. By 8:00 a. m., most of the students were going about their classroom routine, and by 8:10 a. m., many had resigned themselves to the belief that this was just another day.

Then, at approximately 8:12 a. m., the air was split by the clanging of the Bell of '48. Within a few minutes the halls of the Administration building were filled with students heading for the front entrance and faculty members heading for home.

By 8:20 a. m., most of the freshmen had been gathered onto the lawn in front of the Administration building, and the freshmen boys were instructed by Jack Spence with his portable loudspeaker to pull the legs of their trousers up to the knee. After "buttoning," the boys and girls held hands and began to walk to the entrance of the campus.

The procession of freshmen and upperclassmen stopped at the entrance of the campus long enough for several freshmen girls to lead the other "freshies" in some cheers and yells for the Bearcats. By 9:00 a. m., most of the freshmen had arrived at the court-house square, and kangaroo court was in session, with Jack Spence acting as judge, the "M" Club acting as jury, and the freshmen just acting.

The first case concerned a shampoo for Sup Thompson, who had neglected to wear her "beany" and to "button" properly. For almost an hour, shears and shampoos, tape and tears, and songs and shouts were inflicted on or

Benefit Show

Be sure to attend the Student Loan Fund benefit show "The Great Gilbert and Sullivan" tonight or tomorrow night at the Tivoli Theater. This technicolor musical about a famous team in show business will provide good entertainment.

"H. M. S. Pinafore," "The Pirates of Penzance," and "Trial by Jury" are only a few of Gilbert and Sullivan's famous light operas. Two years ago the division of music gave "H. M. S. Pinafore" as their spring production.

Supremacy Trophy Is Top Homecoming Prize

Big Award to Be Retired This Year; Tri Sigs, I C's Lead in Point Contest

Homecoming contests will take on special significance to all campus organizations this year, not only because this is the Golden Anniversary Year, but because the second supremacy trophy will be given to some organization for permanent possession.

Under rules established by the Homecoming Committee, a supremacy cup is given each year to the organization which accumulates the most points in the Homecoming contests. The trophy travels from organization to organization each year until the end of a three-year period when it is awarded to the club which has massed the largest total of points for the period.

Point totals for the various organizations for the past two years are as follows: Sigma Sigma Sigma, 34½; Independent Club, 34; Sigma Tau Gamma, 31½; Tau Kappa Epsilon, 29; Alpha Sigma Alpha, 25; Phi Sigma Epsilon, 19; and Alpha Phi Omega, 11.

Awards to be given at the Variety Show will include first, second, and third place trophy plaques for the skits. Supremacy points will be given on a 5-4-3-2-1 basis for first through fifth place. One point will be given for participation.

Parade float entries will be divided into two classes—Class A, beauty, and Class B, humor and originality. Prizes will be awarded in each class. Floats will be stationed in the parade according to theme—past, present, or future.

Cash awards for the floats are as follows: Class A—first place prize, \$50; second, \$35; third, \$25; fourth, \$15; fifth, \$10; honorable mention, \$5. Class B—first, \$25; second, \$15; third, \$10; honorable mention, \$5.

First, second, and third place trophy plaques will be presented to winning groups for over-all parade participation. Points for the Supremacy Cup will be awarded on a 5-4-3-2-1 basis for the first five places in parade participation. One point will be given to each organization entering all phases of the parade.

Cash awards will also be given to the best individual clowns. First place offers \$10; second, \$7.50; third, \$5.50; fourth and fifth, \$2.50 each. The best group of clowns will receive \$15. The best jaloopies will receive awards similar to those given the individuals. (Continued on Page Two)

Queen-of-Year To Be Selected On October 27th

Nominations for candidates for the 1955 Homecoming Queen must be turned in to the Student Senate by 4 p. m. today.

Male social organizations, mixed groups, or any group of twenty-five or more students are eligible to make nominations. Freshman girls are excluded from candidacy.

College voters will decide on Thursday, October 27, at a special election, just who will be the 1955 Homecoming queen.

Names of the candidates for Homecoming queen will be made public on Friday, October 21. Campaign activities are to begin on Monday, October 24, and will continue through Thursday, October 27.

Results of the balloting will be made public and the Queen and her attendants will be introduced at the Thursday night performance of the Variety Show. The Queen and attendants will also appear at the Friday night presentation of the Show.

Committee Plans Campus Displays

Decorations for the 1955 Homecoming will soon be appearing on the campus. In addition to the displays which will be erected by various groups and organizations, several displays are being planned by a special campus decorations committee.

The committee will erect a display on the front lawn near the entrance to the Administration building. They will also decorate the light poles in front of the building with streamers.

Large plywood figures symbolizing homecoming will be placed near the Union, and flags will be flown on the main drive from the campus to the downtown business district.

Walk Out--Toss'em in Day: Anyone for a Bath?

Above is a scene from the freshman "Revolt" at the shore of the College pond on Walkout Day. M Club members and freshmen alike found swimming in the lake "most enjoyable."

Bulletin

Tryouts for Master of Ceremonies for the Variety Show will be held in Room 103 at 4 p. m. this afternoon. Anyone interested in acting as Master of Ceremonies should attend tryouts.

Are YOU Helping?

Homecoming, 1955, will soon be upon us. It is only eight days until the first performance of the Variety Show.

This time of year has been a time of business and importance since the end of World War II when the contests were first started, but 1955 marks a special Homecoming—the Homecoming of the Golden Anniversary Year—a year when Homecoming should be bigger and better than ever before.

Committees of all sorts, shapes and sizes have been industriously working carrying out plans for the big event, but it will take the co-operation of many more students than those involved with committees to make the day the huge success we all want.

Probably fewer than one-third of the 1200 plus students on the campus are now actively engaged in Homecoming activities. What of the other two-thirds?

"What can we do?" they may say. "We don't belong to any organization that has Homecoming projects." Well, there are many jobs with which the unaffiliated student can help—selling tickets for the dance and variety show, ushering, coat checking, acting as a band host or hostess, passing out posters, putting up decorations, working on clean-up details, to name only a few.

Keep one eye on the bulletin board at all times. Notices are posted almost daily asking for help somewhere, and if you can't find anything to do, go see Dr. John Harr; he'll put you to work.

Just bear this in mind: "To help with Homecoming, don't wait to be asked—VOLUNTEER!"

Step to the Rear, Please . . .

Eating requires co-operation! Yes, that's right. Eating requires the co-operation of hands, arms, mouth, tongue—all the muscles and organs of the alimentary canal.

But eating on this campus also requires a different type of co-operation—that of being courteous in the cafeteria line.

Approximately 550 students take one or more meals each day at the Union dining hall, and the staff there does a very commendable job of doling out the food rapidly and efficiently. It is very disconcerting, however, when one gets only a few feet away from the trays and then suddenly finds himself behind a dozen more individuals who have been let into the line by a friend who had a friend who had another friend who had the neighbor's dog over for supper last night.

Remember that sinking, empty feeling you had as the twelve moved in the next time your buddy offers to give you the opportunity to crash the line, and then use a little courtesy and move on to the rear of the file.

Courtesy is contagious, and it is really one of the most pleasant of all communicable diseases.

The Stroller . . .

Congratulations to the "powers that be." Tuesday marked the first time in three years that Walkout Day has come on the day that the Stroller wanted it to come. It really was a thrill not to do any classwork on Monday night, and then find out that there weren't going to be any classes Tuesday.

Speaking of Walkout, this year's day seems to have turned out a bit differently from those of the past several years. Some of the M club members are still wondering "what happen?" after their drink in the College pond.

As nearly as the Stroller can figure, only four of the laddies in green escaped the revenge of the freshmen.

Beards are really beginning to show up on the fellows' faces now. One might call the campus a regular "Australian bush." Two of the most fabulous beards are those of Ron Maurice and Dr. Charles Koerble.

Ron really has nice red hair, but have you noticed his beard? It's three times redder! Dr. Koerble takes the cake, however. His beard starts with a rather dark hue at the end of his chin and continues through gray and into white in the upper part of his face. It is definitely a masterpiece.

College girls are not doing badly in keeping up their part of the anniversary activities. Some of them have gone to a great deal of trouble to fix up fancy parasols, aprons, etc. One of the most original creations is Barb Stuber's three-inch Japanese umbrella.

rendered by the freshmen who had been lax in their habits of wearing the beany and signs, "buttoning," and attending kangaroo court.

At 10:00 a.m., the court adjourned, and the freshmen began the walk to the College pond. On the way to the pond, many of the freshmen boys proved that they were gentlemen by providing transportation for the girls.

At the College pond, two of the freshmen boys, Jerry Donaldson and Charlie Booth, proved their dexterity at canoe fighting by dunking two "M" Club members, Floyd Worley and Vic Cromer,

during the traditional water fight. Shortly after this event a slight disturbance occurred, during which most of the "M" Club, many freshmen boys, and a few upperclassmen were given the unusual opportunity of swimming in the college pond. The initiation was then declared over, and many students walked to the Union building for lunch, while others went home to change clothes.

A picnic lunch was served at 11:30 a.m. on the drive behind the Union. By this time, most of the beany had disappeared, and one was confronted with the task of deciding just who these new faces were. The afternoon program opened at 2:00 p.m. with a variety show at the Tivoli Theater, emceed by Frank Russell and Jerry Davis.

A good program was presented. Larry Cobb gave his version of the story "Little Bo Peep;" Jerry Davis imitated slow-motion movies of a basketball player making a hoop shot, and a half-back making an end run; Marilyn and Barbara LaMar danced and sang "Steppin' Out With My Baby;" Bob Sanders told jokes and acted dumb; and a small combo provided special music. A movie, Her Twelve Men, was shown to conclude the afternoon events.

The once-a-year big day was capped with a dance at the Union Lounge to the tunes of Art Buckingham's band.

Mules Invade Bearcats in Conference Ti

Milnerites Ready To Win MIAA Tilt

This Saturday night, the Bearcats will face the Warrensburg Mules in Memorial Stadium in the 'Cats' third conference game of this season. Game time will be 8:30 p. m., October 22.

Fathers of the football players will be guests.

With an added number of new men this year, the Mules have shown up well early in the season. According to Coach Ryland Milner the 'Mules have an exceptionally good line with two fine backs.'

Warrensburg upset the apple cart when they defeated Kirksville, the MIAA champions for the last three years, in a game played in Warrensburg two weeks ago. Kirksville is out of contention, momentarily, for the crown again, because of the upset handed them by the Mules.

Last year in the Mules' homecoming, the 'Cats were defeated in the final stanza as the Mules scored two touchdowns to win 12-6.

George Haskey returned to the starting line-up against Cape at center. George had a shoulder injury but now is back to par. Bill Ruby and Cal Rowan have also played a lot of center for the 'Cats in the previous games.

One dim note for the Bearcats is the injured Bill Cain. Although Bill had a bad leg injury, he has played quite a bit of football, but now his leg is bothering him again. Coach Milner says, "If his leg doesn't get better before long, he is out for the season." This would surely be bad for the 'Cats as Bill has been one of the mainstays for them both on offense and defense.

The 'Cats' backfield hasn't been riddled with many injuries. Darrell Walker, quarterback, played one of his best games on defense against Cape. The same men are carrying the burden in the backfield with Mickey Mallen, Fred Maher, Walker, and Mel Gibson usually getting the starting nod. Powell and Clark have been supplying the needed reserve strength.

With the Bearcats looking for their second conference win of the season, this Saturday night might well turn out to be their second victory. Win or lose, let's back the 'Cats!

Freshmen Surprise M Club Members

According to certain spectators here on campus Sweetheart Lake appeared to be the site of some sort of mud monsters, Oct. 11. Closer observation would have shown that the "monsters" were merely some very bedraggled looking M Club members plus a liberal sprinkling of freshmen. A very, very liberal sprinkling!

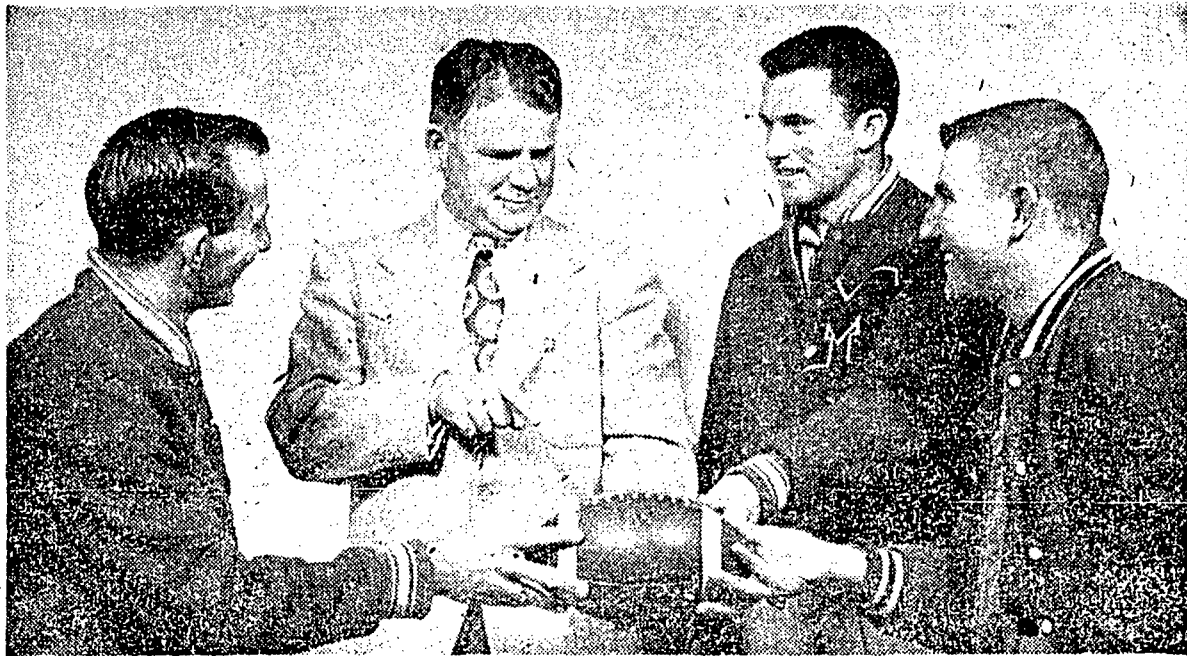

It would seem that during the course of the initiation ceremonies, the M Club incurred the wrath of the freshmen. After a very thrilling canoe fight in which the M Club sailors Worley and Cromer were successfully overturned (during "rescue" operations the freshmen and their craft also capsized), a group of freshmen boys were seen congregating on the east bank of the lake. Trying to disperse the group, Jack Spence, president of the M Club, was "accidentally" shoved into the lake.

Bearcats' Tri-Captains Talk It Over With Coach Milner

Above with Coach Ryland Milner are the Bearcats' tri-captains for this football season. From left to right are Dale Hague, senior tackle, Maryville; Mickey Mallen, junior halfback, Plattsburg; Coach Milner; and Darrell Walker, junior quarterback, Stanberry. Last year Walker was selected on the first team all conference.

This action set off a remarkable chain of events, during which the largest part of the M Club ranks were thrown in.

By the time the first assault was over, the freshmen were throwing in those freshmen who were still clean plus quite a few other students such as Ken Moore, Student Senate president.

Finally all participants in the brawl decided that the mud smelled too bad to continue; so a truce was declared.

A short word from Ken Moore declared the freshman class of 1955 was officially a part of N.W.M.S.C.

Bearcats Win Hickory Stick

Last Saturday evening, good luck struck in Stokes Stadium, Kirksville, as the Bearcats defeated the defending MIAA champions, Kirksville, in a close football game, 6-2.

Darrell Walker scored the only touchdown of the game in the first quarter. Kirksville got in the scoring column with a safety in the fourth quarter.

This was the 'Cats first win of the season, and it was a happy one as they brought the

Hickory Stick back to the NWMSC.

Coach Bob Gregory's football team should be in shape when the season opens. Already can sight the prospects running the track. Ought to have a successful season.

Dr. Sterling Surrey is going to broadcast the Homecoming game with Rolla and Springfield game on KNIM. In return, KNIM is going to make a donation to the Student Loan Fund for each broadcast.

Tekes are challenging the request for the football trophy the intramurals this year.

Too bad most of the M Club members were thrown in the pond. Better luck next time. By the way, where were Schenkel and Messbarger?

The Cheerleaders have been doing a swell job at the Bearcats' games. Keep up the good work, girls!

The beardless wonder, L. Young, isn't shaving, fellows. He just can't grow 'em.

Hoping that all the boys caught out of the Kirksville football game all right and are ready for Warrensburg. Good luck, team.
